
Western Alliance for Quality Transportation Construction

2014 Completed Items

- **Develop Marketing Brochure**

A marketing brochure will be developed and posted on the WAQTC website. The brochure will be provided to other selected officials to market the organization to non-member agencies.

AASHTO revisions:

- T 22 – Added perpendicularity language for 4 by 8 cylinders and definitions for types of fracture
 - T 248 – Added *Combined Coarse and Fine Aggregate* to method selection
-
